

**§ 275.107 Procedure at port of entry.**

The district director of customs at the port of entry will inspect the shipment to determine whether the quantity specified on the Form 3075 is contained in the shipment. He will then execute his certificate on the three copies of the Form 3075 in his possession, and indicate on each copy any exceptions found at the time of release. The statement of exceptions shall identify each shipping container which sustained a loss; the tobacco products and cigarette papers and tubes reported shipped in such container; and the tobacco products and cigarette papers and tubes lost from such container. Losses occurring as the result of missing packages, cases, or shipping containers shall be listed separately from losses caused by damage. Where the statement is made on the basis of tobacco products or cigarette papers or tubes missing or damaged, the district director of customs shall show (a) the numbers of small cigarettes, large cigarettes, and small cigars, (b) the number and total wholesale price of large cigars with a wholesale price of not more than \$235.294 per thousand, (c) the number of large cigars with a wholesale price of more than \$235.294 per thousand, (d) the number of books or sets of cigarette papers of each different numerical content, (e) the number of cigarette tubes, (f) the pounds and ounces of chewing tobacco and snuff, and (g) the pounds and ounces of pipe tobacco.

If the district director of customs finds that the full amount of the tax has not been prepaid, he will require the difference due to be paid to him prior to release of the tobacco products and cigarette papers and tubes. When the inspection of the shipment has been effected, and any additional tax found to be due has been paid to the district director of customs, the shipment may be released.
